# Foreword

BLAINE PEACE ARCH

The above arch of peace represents the kindly feeling that exists between the two major nations of the world and it is under this that we, as students of an American school are allowed free education and the opportunity to publish this book.

## *Old Glory*

The challenge of our youth today is clear. May we do all in our power to keep this emblem waving each day from our schools and preserve the rich Heritage that is ours.

# Dedication

It is to the administration of Ferndale High, the Aquila Staff of "41" wish to dedicate this annual. It is they who served to bridge the gap that we must cross on our journey to success.

## Superintendent's Message

Congratulations to the graduating class of 1941 and their advisors, upon the completion of this fine annual.

Much of enthusiasm, determination and hard work have been necessary to bring it forth. This annual well represents the climax of four years of work, pleasure, and social life spent together. Many close and lasting friendships have been formed during these four years.

— We, of the faculty, sincerely hope that you have gained not only the essentials and academic knowledge, but have formed and developed those habits and qualities of character that will insure success and make you of the highest type of citizen so much needed in this troubled world.

We cannot all be scholars but it is within the power of each individual to develop initiative and dependability, high ideals, qualities of sincerity and honesty, all of which are so much more essential to success and happiness than mere knowledge.

To each of you, goes the best wishes of the entire faculty of Ferndale High School.

## Class History

Twelve years ago several parents brought their frightened little children to the old Central Grade School. The second year they moved into the new building and for four years were downstairs in this new building, then came the great and happy day when they entered the sixth grade and went upstairs. In the seventh grade they first encountered the departmental system of teaching. On June fourth, nineteen thirty-seven they graduated from the eighth grade, graduation exercises being held in the auditorium of the grade school.

In the fall of the same year the class entered high school, living through the much dreaded initiation surprisingly well. During this year they made four of the five dollars they made during the first three years of high school by sponsoring a skating party. That year they also gave a successful assembly for the student body. Our sophomore year was one of extreme inactivity, the class not even giving an assembly. In their junior year they made the other dollar by selling pennants and pompoms. But this year, what a miraculous change! They have been very busy, selecting rings, pins, announcements, cards, giving our play and starting a new tradition by publishing this annual.

Last year Buddy Oxford was chosen from the junior class to go to the American Legion Boys Camp in Olympia. This year Jane Odell won the County and District contests in Americanism Speeches. Dorothy Watson was chosen as the most outstanding girl of the Senior Class for the D. A. R. Tea. In a contest at Tacoma, Stanley Asplund won first place rating as a tenor soloist.

Charter members of this class are:

Betty Schomburg	Cecelia Beaudreau
Dorothy Scrimsher	Buddy Oxford
Dorothy Tawes	Charley Bailey
Eleanor Lobb	Wesley Bailey
Alice Holm	Marguerite Baer

FIRST ROW—(Left to right): Miller, Phiefer, Tawes, Franklin, Altena, Johnson, Larson.  
 SECOND ROW—Nordtvedt, Flagerty, Barger, McDonald, Ecalbarger, Hodgson, Ruff, Burrows.  
 THIRD ROW—McCurdy, (adviser), Kinney, Blom, Snyder, Robertson, Lingbloom.  
 Smeder, Gamlin, Harvey, (adviser). FOURTH ROW—Garst, Neevel, Hovander, King, McKee, Pope, Bowlman, Johnson.

## Junior Class

The junior class is a class with many good ideas. It is made up of fifty-seven members quite evenly distributed. They're twenty-seven girls and thirty boys. They have done their best to create new activities. In their freshman year they made hand books which were given to incoming Freshmen. In their sophomore year they gave the seniors a party. This they hoped would become a school custom. In their junior year they planned to give a junior-senior prom and banquet but not enough students seemed to be interested in this. They also gave ten dollars to the annual fund during their junior year.

## JUNIOR GIRLS

FIRST ROW—(Left to right): Bailey, Altena, Oslin, Rice, Anderson, Smith, McLeod, Gore.  
 SECOND ROW—Baer, Bassett, Baker, Wells, Nelson, Pehrson, Peterson, Amundson, Barnhart, Duncalf. THIRD ROW—Mr. McCurdy (adviser), Juvet, Johnston, Keller, Pettit, Valder, Westover, Hammond, Burgler, Moles, Miss Harvey (adviser).

Besides being outstanding as a class, many individual juniors have proved themselves outstanding in football, basketball, and baseball. The majority of players on our football team were juniors this year, and thus next year we should have equally as good a team as we had this year.

Players on the football team from the junior class were as follows: Pope, Ecalbarger, Ruff, Smeder, King, McKee and Bollman.

## SOPHOMORE BOYS

FIRST ROW—(Left to right): Sidwell, Steltz, Anderson, Meldahl, Lewis, Griener, Nordby, Wampler, Unick, Tawes, Prouty. SECOND ROW—Barnard, McLeod, Mount, Martin, Scrimsher, Moles, Riley, Wampler, Hansen, Mohrmann. THIRD ROW—Eastwood, Rahm, Carroll, Johnson, Unick, Grout, Trivett, Pope, Barnhart. FOURTH ROW—Dunagan, Rogstad, Nelson, Barci, Oxford, Voskamp, Miss Dunagan, (adviser).

## Sophomore Class

The sophomore class of Ferndale High School is looking forward to next year when they will take the rank of upper classmen in our school.

During the first two years of their high school experience they haven't done much as a class unit, but the next two years will give them more opportunity to function in that capacity.

During their freshman year Don McLeod was elected yell duke of the student body. The inseparable triplets Irllys Lewis, Lois Heimberger and Alyce Mae Oxford were elected as members of the Pep Club.

### SOPHOMORE GIRLS

FIRST ROW—(Left to right): Widman, Gawley, Brill, Pehrson, Michel, Mosier, O'Brine, Heggem. SECOND ROW—Miss Dunagan (adviser), Unick, Clevish, Berentson, Wisner, Stowell, Willard, Erickson, Kjelstrup, Mr. Monroe (adviser). THIRD ROW—Lewis, Wampler, Oswald, Erickson, Heimberger, Oxford, Peterson.

Harry Oxford proved himself capable of being a baseball pitcher. Jerry Mohrmann, Don Pope, Don McLeod, and Gerald and Earl Unick started the role toward stardom as basketball players. During their sophomore year Harry Oxford, Jerry Mohrmann, Don McLeod, and George Beaudreau were elected to the K. G. E. Alyce Mae Oxford became assistant editor of the Aquila. Kenneth Riley was chosen as manager of the baseball squad.

## FRESHMAN BOYS

FIRST ROW—(Left to right): Larson, Pekema, Slater, Lott, Stenberg, Tawes, Pinkerton, Metzger, Pekema, Owings. SECOND ROW—McAuley, Jarvie, Carlson, Otterlei, Van Antwerp, Trout, Ogden, Manner, Dorr, Miss Still (adviser). THIRD ROW—Mr. Loreen (adviser), Hougan, Swann, Woodruff, Oslin, Kindland, Powell, Metzger, Key. FOURTH ROW—Beard, Dunn, McAlpine, Plaster, Pehrson, Nordby, Ecalbarger.

## Freshman Class

The Freshman class was rather slow getting organized as a class unit this year. Perhaps they were waiting for an initiation, which would make them official members of our school family, before they had their class organization. However, various members of the class were not slow in choosing activities in which they hoped to engage, and perhaps excel, before finishing high school. Virginia Peterson was chosen as one of our drum major-ettes. Barbara Martin showed marked ability in being able to whistle, performing in our "All School Revue." Marshall Jarvie, was sports editor of our paper.

## FRESHMAN GIRLS

FIRST ROW—(Left to right): Siddle, O'Brine, Heggem, Anderson, Johnson, Larson, Brinkman, Hanson, Kjelstrup, Peterson, Gore, Hall. SECOND ROW—Douglas, Henrikson, Ryan, Hicks, Nelson, Balfour, Kenyon, Woodford, Erickson, Miller, Knight, (Della), Miss Still, (adviser). THIRD ROW—Mr. Loreen, (adviser), Martin, Hitt, Lobb, Harrison, Knight, (Dorothy), Prouty, Bergquist, Riddle, Pike, Knight, (Delores), Aberg.

George Dorr, Robert Powell, Jerry Plaster, Henry Otterlei, Bill Beard, Gerald Metzger, and Doyle Swann have shown a definite interest in athletics especially in basketball. It is said that the freshmen boys of this year are a strong nucleus for a good basketball team in the near future. They played in a good share of our second team games, winning most of them.

Others of the class have shown their interest in music and in other fields. We trust that next year more of them will be entering the extra-curricula field and not only contribute, but also gain something, which isn't included in the regular routine of school life.

We are glad to have this class with us, starting to take an active interest in our school life.

This annual was made to be a representative of our school, of four years of our lives. We have had victories, have been defeated but always our emblem, the Golden Eagle has meant to us the pep and fighting spirit of Ferndale. So we wanted a name symbolizing all this and chose "Aquila" which is the Latin name for eagle.

## Football

From the very beginning of the football season the Ferndale boys tackled their work on fundamentals and training with a quiet determination. A determination to know their plays, fundamentals, and above all else to all work together as a team under the leadership of their highly respected captain and quarterback, Louie Burgler, to whom we dedicate this page.

The unified action of this year's squad payed dividends. The season opened on October the 4th against our traditional rivals, Blaine. After three long, lean years the Eagles pushed them aside with a 32 to 0 score. The Eagles then scored over the county, taking Bellingham 2nds, 25 to 0 the next week, Mt. Baker, 26 to 0 the following week and clinched the county championship on October 23, by defeating Custer 42 to 0.

Following the regular county schedule, Burlington was defeated 14 to 0 at Ferndale on November 1, followed by a 14 to 7 defeat of Monroe on Armistice Day during a North East blow. On November 16, Ferndale played Vancouver for the first time. Burgler, Brill and Ecalbarger ran wild to run the score up to 60 to 6.

Ferndale played its last game of the season against Bellingham on Thanksgiving Day losing for the first time during the season with the score 6 to 18.

## Boys' Basketball

The Golden Eagles started the season with an inexperienced squad pitted against a host of veteran opponents this year, which accounts for their losses in practice games with Hamilton and Sedro-Woolley. With this start and with the bad luck of losing their first county-league game to Sumas-Nooksack, the Eagles started the season with low spirits. As the season progressed the Eagles became stronger and the margin of defeat smaller. Then came the climax when the boys scored a thrilling 31 to 29 victory over Meridian. The final game of the season was played with Blaine, one of the top teams of this season. The Eagles turned in a splendid game losing by only 9 points.

Ferndale will lose only three players by graduation this year, Oxford, Nordtvedt, and Asplund. Everyone predicts a winning team next year and we hope they'll be right.

FIRST ROW—(Left to right): Mohrmann, Griener, Ruff, Oxford, Groat, Anderson, Nordtvedt, Ecalbarger. SECOND ROW—Nordtvedt, Trivet, Pope, Oxford, Pope, Mr. McCurdy, (coach)

The 1940 baseball season was one of our most successful in recent years. At the first turn-out, Coach McCurdy was greeted by a squad of about thirty hopeful aspirants, several of whom were veterans from the season before. The Eagles were fortunate in having a fine pair of pitchers in Bob Ecalbarger and Harry Oxford, the latter a promising southpaw. Bud Oxford and Louie Burgler handled the catching assignment in good style, and Vaughn was a first sacker from last year's squad. Tommy Nordtvedt and Ed Hancock made an ideal combination at the keystone bag, both playing stellar games all season. At third base Ferndale boasted one of the county's outstanding players in Dick Morsman. Dick was a phenomenal infielder, with a powerful and accurate throwing arm. The outer garden was patrolled by Jack Tawes, a great defensive player, Alec Ruff, a fleetfooted center-fielder, and DeLancy Parcher, who was anything but slow afoot.

The graduating seniors will leave a big hole in the 1941 squad, but the outlook for next year isn't too dark. However, it isn't easy to replace players like Morsman, Tawes, Hancock, Parcher, and Vaughn. These boys are tops in high school baseball.

## GIRLS' BASKETBALL

FIRST ROW—(Left to right): Douglast, Turner, Peterson, Martin. SECOND ROW—Wissner, O'Brien, Krienke, Moser, Beaudreau.

## Girls' Athletics

The girls' athletic program as revised in the fall of 1938 has developed in the following manner. Fall activity is speedball, a rather strenuous activity which combines in one fast game elements from the games of basketball, soccer and football.

Basketball follows speedball as the weather turns bad and outdoor play is no longer possible. Volleyball follows basketball and miscellaneous activities such as folk dancing, tumbling, and badminton are given with volleyball.

Spring weather brings with it baseball turn-outs. Some track events are included in the program near the close of baseball season and the annual posture contest is a part of the track program.

The girls competitive program consists entirely of intramurals or inter-class tournaments rather than inter-school contests. In the freshman and sophomore classes seasonal games are played in physical education classes for several weeks and then the best players are selected to represent their class in the intramural contest. The juniors and seniors are given an opportunity to turn-out a given number of times for a team and then a team is selected for each upper class. This years baseball tournament has a new feature in that a junior high school team will be included to make five teams. At the conclusion of each athletic tournament a team is chosen from all the players which represents in the mind of the committee and the teacher, the

group of players which were outstanding and who would have been selected as Varsity players or of Varsity caliber if interscholastics were accepted and approved for girls. This super-team is known as the "Honor Team".

The highlight of the girls' program is the play day held for each activity at one of each of the seven county schools. Although this year's play day schedule did not follow the calendar as closely as in the past, due to illness and closing of some schools, the schedule was as follows:

Speedball .....	Meridian High School .....	November
Basketball .....	Mt. Baker High School .....	December
Volleyball .....	Lynden High School .....	January
Badminton .....	Blaine High School .....	February
Folk Festival .....	Ferndale High School .....	March
Baseball .....	Sumas-Nooksack H. S. ....	April
Relay Carnival .....	Custer High School .....	May

The girls athletic program also included a series of picnic-hikes. These hikes are four in number and are held on Saturdays. A school bus is chartered to take the girls of the beginning of the trail and to bring them home afterward. This year's hikes have been to Chuckanut Mountain, to the Natural Dry Docks south of Bellingham, to Canyon Lake on the way to Mt. Baker, and Lummi Mountain, Lummi Island. Under Miscellaneous athletics would be such items as a splash party or two which are held each year at the Y. W. C. A.

## Music

Mr. Monroe, head of our Music Department, is to be complimented on his good work and untiring devotion with the Glee Club. Much credit is also due him for the long and faithful hours spent in behalf of the band and orchestra. The band and orchestra have greatly improved in the last year and show promise of becoming even better.

In the Northwest Music Meet at Everett our orchestra was given a superior rating.

# Music

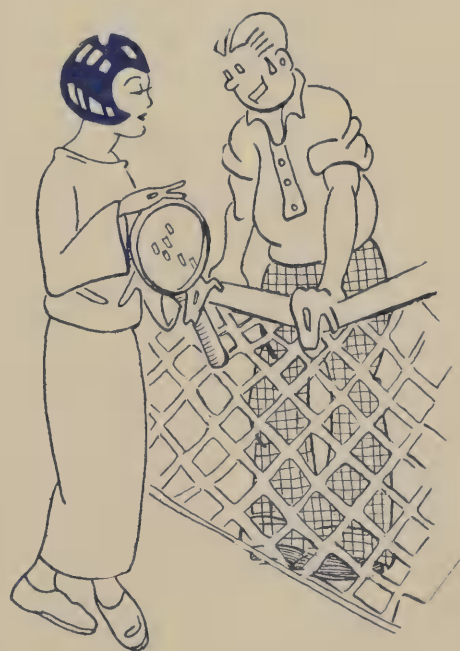

The Glee Club has had an active year. They have participated in P.-T. A. programs, music meets, and assemblies. Probably their most outstanding performance of the year was the lovely Christmas concert presented on December 21. They also participated in the All School Review.

Showing improvement in quantity as well as quality our Band this year consists of 45 members. In the course of the year it has proved to be a valuable asset at the basketball and football games. The band in marching formation, was very picturesque and effective, with its members outfitted in gold and blue capes.

The High School Orchestra has done very well in furnishing music for plays, operettas and programs given this year. They played several numbers for the Senior play. This year for the first time it will be represented at the Orchestra Contest in Everett on April 26. They will furnish the music for Baccalaureate and Commencement.
